

## — SERVICES &amp; PRICING · 2026

# Standard scope. Fixed price. *No surprises.*

Every engagement starts with understanding your business — not just your website. Below you'll find standard service packages and pricing. All projects begin with a free discovery call.

- Custom scopes & bundle pricing on request
- Written scope, written price — proposals valid 30 days
- You own everything: code, content, domain

## — WEB DEVELOPMENT

Three starting points. Custom scopes available — pricing scales with complexity, not headcount.

<p><b>01</b></p> <h2>Landing Page</h2> <p>A focused, high-converting single page built for a specific offer or audience. Perfect for new businesses, campaigns, or service launches.</p> <ul style="list-style-type: none"> <li>— Custom design — no templates</li> <li>— Mobile-first, fast-loading</li> <li>— Contact form + basic analytics</li> <li>— Cloudflare deployment + SSL</li> </ul> <hr/> <p><b>\$1,800</b> starting · typical range \$1,800 – \$3,500</p>	<p><b>02</b></p> <h2>Multi-Page Website</h2> <p>A complete professional web presence covering 5 – 10 pages.
